20 March 2022

Yesterday on 19/03/2022, the main Pune-Nashik highway of our city witnessed a real chaos in the form of a traffic jam in which thousands of people were caught for several hours,

It was around 5 pm in the evening and the office goers, the school buses of various schools and traders along with many others were returning from the busy route. The traffic was running smoothly but suddenly the vehicles came to an abrupt halt. There was utter confusion among all. The traffic was not moving even an inch. Soon anger erupted among many. Patience slowly melted and there was argument, heated talks, and even several came out from their vehicles in anger. Fuming, everyone was vexed to know the cause of that traffic jam. People were in hurry to reach their destination but not even one traffic police officer could be seen in the vicinity. Then some excited youngsters jumped into the scene and began clearing the scene. They reached at the place where the halt had begun. A badly wounded person was seen unconscious in damaged car. Situation was understood and immediately an ambulance was called by onlookers. Within no time, the ambulance arrived followed by the police too. It took two hours to clear the traffic. But finally the injured person was taken in the ambulance, the damaged car was picked by the police and the traffic moved.
